

Bench Dedication

Give a gift that will last a lifetime. The Hamilton County Parks and Recreation's Bench Dedication Program is the perfect way to remember someone special.

What kind of bench?

The Courtyard Series bench has been hand-selected for its elegant stylish features, all while adhering to the standards set by the Hamilton County Parks and Recreation Department. Your investment will offer countless park visitors a place to rest, appreciate the beauty of your community, and enjoy memories as well as their own.

Each bench is purchased from Wabash Valley. All frame work is fabricated from their permanent mold cast aluminum legs that offer the finest finish and the maximum in strength and corrosion resistance. Along with all of this, the investment for your loved one will not leaf stain or absorb water, grease, or oil.

Memorial benches are six feet long with armrests and a backrest. A 4 X 6 inch brushed stainless steel engraved plaque will be installed on each bench in the backrest for personal dedications.

Cost

Cost is \$995 installed.

Administration Office
